Need §13100 Declaration from Debbie Covey.<br><br>4. Petitioner's math and distribution appears to be slightly off. Examiner calculates that the commissions, fees and costs total \$13,677.96, not \$13,707.08, which leaves \$14,525.75 for distribution, a difference of \$29.12. Although this is a minimal difference, the Court may require distribution to be recalculated. |

## Page 2

**Petitioner states** she personally deposited \$3,000.00 of her own funds in order to open the Bank of the West account because she believed she was supposed to open a separate account and did not wish to take funds from the Comerica account to do so. The Comerica account was not a checking account, but a debit account. *[Examiner's Note: This amount has been reimbursed to Petitioner per Schedule C.]*

Petitioner states the Inventory and Appraisal filed with the Court identified the Conservatee's 401k plan from CVS Pharmacy earned by the Conservatee in part during her marriage to her current husband, Jeffrey Hendricks. The value at that time was estimated by telephonic access to be \$102,349.28. Subsequent to filing the I&A, Petitioner received a Participant Statement which shows a balance as of 12/31/14 of \$104,973.25. Personal oral requests and written requests from counsel to CVS Future Fund requesting a written account balance as of 3/31/15 went unanswered. This Amended First Account will use the financial data set forth in the statement dated 12/31/14 for continuity.

Petitioner states the two vehicles noted in the I&A as owned 50% by the Conservatee are in the possession of Conservatee's husband as the Conservatee does not drive.

Petitioner states the Court has inquired as to several gifts provided by the Conservatee over the past year. *(Prior Examiner Notes requested clarification re approx. \$350.00 used for gifts during the account period with reference to Duties of Conservator.)* Petitioner states the gifts were to close family on special days, including a mother's day bouquet. If the court desires the money be returned, she will reimburse the conservatorship.

**Petitioner states** that additional costs of part-time in-home care has resulted in a monthly negative cash flow scenario, as Teresa's social security disability payments will not completely cover her required care. This negative cash flow has eroded Conservatee's excess liquid cash to the point that only a few more month of excess cash remain to cover her expenses. In light of this fact, Petitioner requests the Court issue an order directing the trustee or custodian of Teresa's CVS Caremark Future Funds 401k Plan to allow Conservator access to the 401k proceeds to care for Conservatee. She believes the 401k Plan funds are community property assets but can and should be used for the care, maintenance and support of Conservatee. Attorney Logoluso's declaration states he does not believe accessing these funds subject's Conservatee to IRS penalties for early withdrawal in light of Conservatee's obvious need for appropriate care. Authority cited.

**Petitioner requests that:**

1. The Court find that Notice of Hearing of this account, report and petition was given as required by law;
2. The Court make an order approving, allowing and settling the attached account and report of Conservator as filed;
3. The Court authorize Petitioner to pay herself \$30,000.00 as compensation for services rendered as Conservator of the estate and person during the accounting period;
4. The Court authorize Petitioner to reimburse herself \$9,689.63 for costs and fees associated with the creation of the conservatorship;
5. The Court authorize Petitioner to pay her attorneys \$5,063.37 for legal services rendered during the accounting period;
6. The Court issue an order allowing for the use of Conservatee's 401k plan proceeds be authorized by the Court to be utilized for the payment of institutionalized care for Conservatee;
7. The Court order that Conservatee is not able to complete an affidavit of voter registration in accordance with Elections Code §2150, and is not entitled to vote; and
8. The Court make such other relief as it considers proper.

**Status Report and Declaration of Mark A. Blum filed 12/2/15 states** he met with the conservator and her son, the conservatee's brother, on 11/30/15. The Conservatee now requires continuous supervision and is estimated to be functioning at the level of a three year old. For example, she no longer knows she will be burned if she touches hot cookpots in the kitchen, and is completely incontinent and requires assistance with all functions including dressing. The need for constant supervision now exceeds the physical stamina of the conservator and her older husband, and they are exhausted. It is now necessary to place Teresa in an appropriate care facility. Attached is a letter from Suzanne Hirata, the conservatee's aunt. Ms. Hirata has also been a caregiver to other members of the family who have suffered from Early Onset Alzheimer's Disease. She believes that placing Teresa in a skilled nursing facility is not in Teresa's best interest. Ms. Hirata intends to attend the hearing and is willing to provide testimony regarding her recommendation for Teresa's care.

The Conservator has visited a number of facilities that could provide the care that Teresa needs and believes that Paintbrush Assisted Living and Memory Care in Fresno with a monthly cost of \$4,495 would best serve Teresa and is the most economical. See declaration re other facilities reviewed. For the reasons set forth in Ms. Hirata's letter, the Conservator believes that Paintbrush would be the best facility.

The Conservator again requests that the Court issue an order directing that CVS/Caremark's Future Fund Management to provide access to sufficient funds from Teresa's 401k plan holdings in order to provide for the cost of her care that she now needs.

At the previous hearing there was some discussion of whether the conservator should begin proceedings for a legal separation of Teresa from her husband. When Teresa was still able to express an opinion on this point, she took great pride in her marriage. When conservatorship was established, there was considerable dispute over whether her husband Jeff or the present conservator should become conservator. However, in the past year, Jeff and Teresa's children have had little or no contact with Teresa, and notice of the last hearing was returned undeliverable. Despite the lack of communication, Jeff still carries Teresa on his medical insurance, and the Conservator does not believe it would be beneficial to have that insurance coverage change or disappear, and neither the conservator nor the conservatee's finances could pay for a legal separation or dissolution at this time.

**Status Report and Declaration of Mark A. Blum in Support of Amended Petition filed 1/28/16 states** at this point, Teresa requires continuous supervision and is presently functioning at the level of a 3-year-old. The need for constant supervision exceeds the physical stamina of the conservator and her husband and it is necessary to place her in a care facility. At the previous hearing, the Court gave permission to place her in an appropriate care facility, but specified that the conservator would be limited to accessing only the funds necessary for two months of care from the retirement savings account. At that time, the court seemed to indicate that the conservator or her attorneys would be responsible if tax penalties were imposed in connection with such withdrawals. Consequently, the conservator has not accessed the account and continues to be cared for in the conservator's home.

Deborah Boyett, attorney for the Conservatee, was able to locate and communicate with Jeff Hendricks, the conservatee's husband. Filed concurrently is a stipulation by Mr. Hendricks in which he consents to the use of her retirement savings, subject to the conditions stated therein, and this Court's approval. Mr. Hendricks consulted with his attorney, Tres Porter, concerning the stipulation.

Subsequent to the last hearing, they were able to obtain an electronic copy of the CVS/Caremark Future Fund Management Plan Summary, which indicates that payments from the conservatee's retirement account are available for withdrawal upon disability, and provides tax information.

**SEE ADDITIONAL PAGES**

**Status Report filed 1/28/16 (Cont'd):** Mr. Blum admits that the intricacies of the US Tax Code with respect to disability payments of retirement funds are beyond his expertise. With that in mind, the Court may choose to direct the conservator to obtain more skilled legal counsel on this matter before accessing the retirement account for her necessary care; however, it would appear that the Conservatee is disabled as identified by the IRS. See report for details, authority.

Mr. Blum states neither the conservator nor her attorney is willing to become guarantors of liabilities for taxes or penalties incurred for the purpose of providing what they believe to be the best and appropriate level of care for the Conservatee. The conservator and her attorney request clarification from the Court regarding the potential tax liability.

In light of the limited financial resources and in the interest of moving forward, the Conservator's attorneys are willing to waive any further payment of fees in this matter for work completed to date. As noted, the need for constant supervision exceeds the stamina of the conservator and they are becoming exhausted. With the continuing deterioration of Teresa's condition and increased demands it has become ever more urgent to place her in a care facility. The Conservator therefore requests that the Court rule on her prior requests by approving or modifying the previously proposed order or directing counsel to prepare a new order which may include the provisions of Mr. Hendricks' Stipulation.

**Stipulation by Jeff Hendricks filed 1/28/16 states** he is the husband of Teresa Hendricks. They were married 6/11/88. During the course of their marriage, both worked when able, and both participated in retirement savings plans offered by their respective employers. In or about 2012, they made withdrawals from retirement savings to cover living and relocation expenses, which resulted in the IRS requiring them to pay more than \$10,800 in additional taxes, penalties and interest, and they currently owe approx. \$10,000 to the IRS. Mr. Hendricks has entered into a payment plan with the IRS to make monthly payments of \$150 on this obligation from his own wages.

Subject to the Court's approval, Mr. Hendricks is willing to stipulate that Teresa's retirement savings with CVS/Caremark may be used for her care and medical needs at a board and care facility subject to the following conditions:

- a. That Mr. Hendricks be complete indemnified and held harmless for any tax liabilities or penalties that may arise in connection with future withdrawals for the purposes specified above;
- b. That the funds be used only to pay the board and care facility and providers of medical care and similar services, and only on the payment schedule required by such providers; and
- c. That none of the retirement funds are utilized to pay Conservator's requested \$30,000 in compensation as requested in the petition.

Mr. Hendricks states two vehicles are listed on the I&A filed by the conservator on 6/24/14. He and Teresa no longer own or operate either of these vehicles and to the best of his knowledge, Teresa's name is no longer shown as owner or operator of any motor vehicle.

**NEEDS/PROBLEMS/COMMENTS:** The following issues remain noted for reference:

1. The Court may require proof of titling the Comerica account in the name of the conservatorship estate as noted in the petition.
2. Petitioner reimbursed herself for expenses associated with the conservatorship in the amount of \$13,264.75 without Court authorization in violation of Probate Code §2640 (noticed petition required) and Cal. Rules of Court 7.751, 7.752, 7.755.
3. Attorney requests a total of \$15,643.38 in fees and costs, and has already received and accepted payment of \$9,689.63 in violation of Probate Code §2640 (noticed petition required) and Cal. Rules of Court 7.751, 7.752, 7.755, etc.

Petitioner clarifies that the payment was made by Petitioner personally and not from the conservatorship estate, and Petitioner is now requesting authorization to reimburse herself for that amount; however, this does not negate the fact that the attorney received payment for services in connection with the establishment of the conservatorship without prior Court authorization.

4. Further, the Court may require clarification with regard to the total amount of attorney's fees requested with reference to Probate Code §2640 as to how this amount is just and reasonable given the value and status of the conservatorship estate. See amount authorized by Local Rule 7.16 for comparison.
5. Similarly, the Court may require clarification as to how compensation to Petitioner of \$30,000.00 is just and reasonable given the value and status of the conservatorship estate.
6. Total Disbursements exceed receipts by over \$11,000.00. Petitioner requests to invade the Conservatee's 401k plan to continue to provide the level of care required by the Conservatee; however, given the Conservatee's income level, given the amount available within the 401k account, and given the amount of compensation that is requested by both the Conservator herein, the attorney herein, and future needs, the Court may require further clarification regarding the level of spending for misc. items, clothes, etc., and may require a budget going forward.
7. The Court may require further additional information regarding Petitioner's request to invade the Conservatee's 401k account for the cost of the Conservatee's care. The attorney notes that he does not believe there will be tax penalties; however, the petition also states this account may be community property of the Conservatee's marriage, although it was inventoried as hers alone. Specifically, the Court may require clarification as to whether input may be necessary from the Conservatee's spouse of over 25 years, Jeffrey Hendricks.

Update: Please see *Stipulation* filed by Mr. Hendricks on 1/28/16.

8. Petitioner explains that the two vehicles owned conservatorship estate assets remain in possession of the Conservatee's husband. The Court may require clarification regarding how the vehicles are titled, and given that they are not in Conservator's possession, may require clarification regarding potential liability to the conservatorship estate.

Update: Mr. Hendricks' *Stipulation* states he and Teresa no longer own the vehicles. Need further information as it does not appear the conservatorship estate was compensated for Teres's share upon sale."

**SEE ADDITIONAL PAGES**

**NEEDS/PROBLEMS/COMMENTS (Cont'd):**

9. Attorney requests reimbursement for costs that are considered by the Court to be costs of doing business and not reimbursable pursuant to Local Rule 7.17, including photocopies, postage, travel costs. The Court may strike \$45.38 from the order for the following items:
  - \$22.20 photocopies
  - \$11.88 postage
  - \$11.30 mileage
10. Bond: If access to the 401k is granted, bond will need to be increased. Examiner calculates that bond should be increased to at least \$168,139.82 or an increase of \$106,889.82, calculated based on the value of all assets at the close of the account period plus income including Social Security and dividends as noted in Receipts.

**Note: If granted, the Court will set a status hearing for the filing of the next account as follows:**

- Tuesday, June 21, 2016 if a one-year account is required or
- Tuesday, June 20, 2017 if a two-year account is required.

**Petitioners pray for an order as follows:**

1. Instructing Petitioners to hire Dowling Aaron Incorporated to represent the estate in the litigation;
2. Approving the payment of extraordinary attorney's fees and costs to Dowling Aaron Incorporated pertaining to the litigation by the trust without the need for Court approval;
3. Providing any and all further instruction, or awarding such relief, as the Court may deem just and proper.

**NEEDS/PROBLEMS/COMMENTS:**

1. The Court does not have jurisdiction within this estate to authorize payment from the trust. The trust is not currently before the Court. Petitioners may wish to consider whether opening a trust action under Probate Code §17200 may be a more appropriate vehicle to obtain Court authorization for expenditures from the trust.
2. The Court, *within this estate*, can only authorize extraordinary compensation to be paid *from this estate*. Petitioners state that the estate *currently* has no assets as all of the decedent's assets were/are held in trust; however, Petitioners do not indicate whether the estate expects to recover or benefit from the litigation. Examiner notes that there have been numerous creditor's claims filed in the estate totaling in excess of \$500,000.00 (not including the claim filed by Britz, Inc., in an amount "TBD"). When considering petitions for extraordinary compensation, the Court must consider whether such compensation is just and reasonable (Probate Code §10811), and to do so, requires the information set forth in Cal. Rules of Court 7.702, 7.703 re benefit to the estate, etc.

**Wherefore, Mary Diane Zumwalt, prays for a Court Order as follows:**

1. The Thomas J. Zumwalt and Mary Diane Zumwalt Revocable Family Trust dated October 26, 2001 is terminated in its entirety;
2. All assets of the Thomas J. Zumwalt and Mary Diane Zumwalt Revocable Family Trust dated October 26, 2001 be distributed to Mary Diane Zumwalt.

**Declaration of Gary Bagdasarian filed on 1/28/16 states** all of the assets of the Trust were the community property of the Settlor, Thomas J. Zumwalt and Mary Diane Zumwalt.

All of the assets were community property, pursuant to Family Code §761 Mary Diane Zumwalt, the sole surviving settlor, acting alone, has the power to revoke the Trust as to community property.

**Note:** Under the commentary for Probate Code §15401 it states “A husband and wife created a trust with community property with expressly allowed revocation “at any time during the lifetime of *either* Trustor.” After the wife died, the husband revoked the trust. This was effective only as to his half of the trust corpus because upon the wife's death the community interests were converted into separate property, one half of which belongs to the wife. *In re: Estate of Powell*, 83 Cal.App.4<sup>th</sup> 1434, 100 Cal.Rptr.2d 501 (3d Dist. 2000)

Probate Code §100 provides: "Upon the death of a married person, one-half of the community property belongs to the surviving spouse and the other half belongs to the decedent."

Petitioner states, continued:

- Petitioner has orally requested status of the cash balance, but Respondent has failed to provide an accounting based on the oral request, except to say that when the cash runs out she will sell the other house;
- Petitioner has sought to rent the second house to generate income, but it is in need of repairs and Respondent refuses to rent the house; if rented, the second house would generate about **\$800.00** per month net in Trust income;
- Respondent has failed to pay income taxes and property taxes on the real property, failed to pay loans which encumber the real property, placing these Trust assets at risk (*copies of IRS notices for past due taxes and copies of Assessor notices for unpaid property taxes are attached as Exhibits B and C*);
- Respondent has allowed the second house to fall into disrepair such that it has now become subject to anti-blight ordinances from the City and/or County of Fresno (*copies of notices attached as Exhibit D*);
- Respondent has sought to force Petitioner to enter into a rental agreement for possession of the first house (*copy of purported lease attached as Exhibit E*); the purported lease provides Respondent is the "owner" of the real property owned by the Trust and acknowledges receipt of **\$42,000.00** as "rent;"
- The amount acknowledged as received is similar to an amount received by Respondent in Trust property;
- On 6/11/2015, Petitioner's attorney mailed a letter to Respondent demanding an accounting, but Respondent has made no response (*copy of letter to Respondent attached as Exhibit F*);
- Respondent has failed to pay taxes and loans which impair the property rights of the Trust (*copies of Bank of America notices for unpaid loans attached as Exhibit G*);
- Respondent has asserted personal control and ownership of Trust assets as if she is the owner of Trust assets;
- As the Trust assets are required to be distributed to Petitioner outright, and Respondent has failed and refused to relinquish control of said assets, Respondent has misappropriated Trust assets'
- Pursuant to Probate Code § 15642, the Court may remove the trustee if it is shown the trustee has committed a breach of trust; where the trustee is insolvent or otherwise unfit to administer the trust; where the trustee fails or declines to act; or for other good cause;
- Respondent should be removed because of her various acts and omissions as they relate to the Trust;
- **Removal is warranted because Petitioner is thirty years old and entitled to outright distribution at this time:** The Trust provides for outright distribution to Petitioner when he has attained age 30; he has attained age 30 and is now entitled to outright distribution; [*Please refer to issue re age 35*];
- **Removal is warranted because Respondent has failed to protect Trust assets:** Trust assets consist of cash in an account controlled by Respondent and real property consisting to 2 houses on Second Street in Fresno (hereafter 5255 and 5237); Petitioner has lived in the house at 5255 since prior to Decedent's death and has continued to reside there at the present time; the house at 5237 has sat vacant since Decedent's death, and the property taxes have not been paid by Respondent, the house has fallen into disrepair and is subject to the blighted vacant building ordinance; there is one or more loans encumbering both of the houses, and one or more payments have not been made by respondent, and Respondent has not made required payments of unpaid federal taxes on the estate which may impair other Trust property;

~Please see additional page~

Petitioner states, continued:

- **Removal is warranted because Respondent has wasted Trust assets and property:** the house at 5237 has a fair rental value of at least **\$800.00** monthly and would be added to the Trust and benefit Petitioner, who has had several opportunities to rent the house and has made requests to Respondent to rent the house and she has failed and refused to do so, which constitutes a waste of Trust assets and deprives the Trust of rental income;
- **Removal is warranted because Respondent has mismanaged or misdirected Trust assets for her own personal gain:** Petitioner resides at 5255 and Respondent received cash from the Trust and converted it for her own personal use, labeling it as "rent" for the house;
- **Petitioner is entitled to an accounting of Trust assets** pursuant to Probate Code § 16063; Petitioner has orally and in writing requested an accounting, and to date, Respondent has never provided Petitioner with an account of the Trust; Petitioner requests the Court order Respondent to file an accounting with the Court detailing *[her acts as Trustee]*;
- **The Court should surcharge Respondent** as Petitioner is the sole beneficiary of the Trust entitled to the benefits of the Trust, and under the circumstances described in the Petition, the Court should surcharge Respondent for loss and depreciation in value of the Trust estate, plus interest, caused by Respondent's breach of fiduciary duty;
- **Respondent should be immediately suspended as Trustee:** The Trust instrument does not appoint a successor trustee other than Respondent; Petitioner requests the Court appoint either Petitioner **JOSHUA SMITH**, or **DANIEL WADE**, *[a family friend who knew Decedent and has known Petitioner his entire life and lives down the street from Petitioner in Fresno]*, as successor trustee, without bond required for either of them *(consent to serve of Daniel Wade is attached as Exhibit H)*;

**Petitioner prays for an Order of the Court:**

1. Removing **SHERRI RENE' FINN** as Trustee of the Trust, and appoint either Petitioner **JOSHUA SMITH**, or **DANIEL WADE** as successor trustee without bond;
2. Ordering **SHERRI RENE' FINN** to file an accounting with the Court detailing her acts as Trustee;
3. For Court filing fees for this petition, for attorney fees, and for costs incurred by Petitioner.

**NEEDS/PROBLEMS/COMMENTS, continued:**

3. Prayer of the *Petition* is inconsistent with the requested relief in the *Petition*, as the prayer does not include surcharge of Respondent **SHERRI RENE' FINN** for loss and depreciation in value of the Trust estate, plus interest, caused by breach of fiduciary duty.
4. Need proposed order pursuant to Local Rule 7.1 which provides a proposed order shall be submitted with all pleadings that request relief.
